

Dear Guest,

### Group Events at El Capitan Canyon

Greetings from the beautiful El Capitan Canyon Resort, just a short walk from the beach, nestled in the foothills north of Santa Barbara, California. Our location boasts a unique and adventurous location, which can be ideal for the “outside the box” retreat or company meeting. Located on 150 acres and surrounded by protected California State Park lands, you can give your staff or clientele the experience of being away from the hustle of regular meeting venues and immerse them in the natural beauty which is the Gaviota Coast, while being a

convenient distance to downtown Santa Barbara or a two hour drive from Los Angeles.

Our sleeping facilities rest in our beautiful canyon and include several styles of accommodations to fit your group needs and budget, ranging from single occupancy queens or kings with large soaking tubs nestled along a bubbling seasonal creek to multiple occupancy cabins that can hold up to four guests comfortably. Looking for something a little different? Try our canvas safari tents—comfortable beds and full linens in a rustic “camping” environment. We can mix and match as you wish, and we are happy to assist you in choosing the appropriate style.

Enjoy services and amenities typically found in a traditional resort, yet it’s minimalism without deprivation...comfort without over-indulgence. The glories of nature without the overbearing manufactured hand of man. Experience the natural beauty of the environment in a camp-like surrounding with all the creature comforts we have come to enjoy and expect. Our facilities include complimentary Wi-Fi, daily housekeeping service, private picnic tables and fire pits. Our cabin accommodations include kitchenettes complete with coffee makers, refrigerators and microwaves. Our more luxurious rooms have fireplaces and soaking tubs to help release the stressful moments often present in city-life. It’s the most comfortable “roughing it” you and your group will ever have.

We offer several different soft-sided venues for meetings, ranging in size from 700 to 2500 square feet. These facilities provide a comfortable location to focus on that trade issue, develop your team into a well running unit or recognize those special employees. Anything you would require concerning A/V equipment is available, or bring your own equipment depending on your needs.

Our catering team can create that special meal you are searching for, from BBQ/western events to filet mignon dining. You can dine al fresco beneath the stars or set up a buffet indoors, it’s all possible here at the Canyon! For a unique team building experience, we can supply all of the ingredients in one of our signature BBQ kits and you can prepare it “camp-style” over a glowing campfire.

El Capitan Canyon can also provide custom activities packages that will be sure to provide a positive and memorable team building opportunities for groups of all sizes. Choices include; horseback riding, kayaking, biking, hiking, yoga, surf lessons, wine tasting and massage treatments in our beautiful Spa. We offer excellent group rates and packages throughout the year that can be tailored to fit your needs. Please feel free to contact me at your earliest convenience for pricing and more information. I would welcome an opportunity to show you how El Capitan Canyon can be an integral part of making your next event a great success! I look forward to hearing from you!

Regards,

N.Terry Illiano
